

Contests & Interactive Activities

Summer Reading Challenge

Every book you read gives you one entry in our contest. Come to the library and pick up a reading log and receive a ballot for every book you read this summer to submit in the ballot box for a chance to win a prize! For every 5 books you read, you can add a maple leaf to go towards our goal of 150 maple leaves. Please note, you do not need to be apart of the Summer Reading Program to participate in the Summer Reading Challenge. At the end of the summer, we'll draw three names for the Summer Prize Packs!

There will be separate ballot boxes:

Ages 4-6 Ages 7-9 Ages 10-13

Come into the Library to collect your TD Summer Reading Club Materials:
